

CUMULATIVE TABLE OF CONTENTS
VOLUME 5, 1984

EARLY IDENTIFICATION OF HEARING LOSS IN INFANTS
Number 1, February 1984

- A Normative Picture of Infant Auditory Development, *S.E. Trehub and B.A. Schneider*, 1
The High-Risk Register for Newborn Hearing Programs, *K.P. Gerkin and M.P. Downs*, 9
Noise Pollution in the Neonatal Intensive Care Nursery, *S.A. Mitchell*, 17
High-Risk Hearing Screening of Large General Newborn Populations, *T. Mahoney*, 25
A Practical Approach to Hearing Screening of the Newborn and At Risk Infant, *A. Salamy and A. Amochaev*, 39
A Retrospective and an Update on the Crib-O-Gram Neonatal Hearing Screening Audiometer, *K. Miller and F.B. Simmons*, 49
Auditory Brainstem Response Testing in the Intensive Care Unit, *M.J. Cevette*, 57
Evaluating the Efficiency of Auditory Brainstem Response as a Neonatal Hearing Screening Test, *L.K. Stein*, 71
A Combination of High-Risk and Mass Hearing Screening: A Follow-Up of 40,000 Infants, *M. Feinmesser, L. Tell, and H. Levi*, 79
Clinical Application of Visual Reinforcement Audiometry, *G. Thompson and W.R. Wilson*, 85

CURRENT AUDIOLOGICAL CONCEPTS IN COMMUNICATION DISORDERS
Number 2, May 1984

- Some Controversial Issues in Audiology, *R.G. Chaplin and J.K. Shalloo*, 103
The Cochlear Implant and the Patient, *M.T. Seilo*, 113
Auditory Event Related Potentials, *S.B. Polen*, 127
Recent Considerations in Industrial Hearing Conservation, *W.G. Bodenhemier*, 143
Otolological and Audiological Sequelae of Closed Head Trauma, *C.S. Sakai and C.A. Mateer*, 157
Communication Systems Used by the Severely Hearing Impaired, *C.J. Barker*, 175
Language Deficits Among Hearing-Impaired Children, *C. LaRiviere*, 187
Speech and Language Difficulties of the Hearing Impaired, *C.L. Madison*, 203

SELECTED TOPICS IN CENTRAL AUDITORY DYSFUNCTION
Number 3, August 1984

- Neuroaudiological Results from Split-Brain Patients, *F.E. Musiek, K. Kibbe, and J.A. Baran*, 219
Myelination of the Corpus Callosum and Auditory Processing Problems in Children: Theoretical and Clinical Correlates, *F.E. Musiek, K.M. Gollegly, and J.A. Baran*, 231
Relationships Between Tests of Central Auditory Function and Receptive Language, *R.W. Keith and K.K. Novak*, 243
Management Perspectives of Central Auditory Problems in Children: Top-Down and Bottom-Up Considerations, *M.L. Young and E. Protti-Patterson*, 251
Brief Tone Detection and Discrimination Tests in Clinical Audiology with Emphasis on their Use in Central Nervous System Lesions, *J.L. Cranford*, 263
Central Auditory Tests in Patients with Intractable Seizures, *M.E. Collard*, 277
Performance of Aphasic Patients on Dichotic Listening Tests, *N. Niccum*, 297
Auditory Evoked Responses in Severe Head Injury, *J.W. Hall III and J. Mackey-Hargadine*, 313
Behavioral and Objective Estimates of Auditory Brainstem Integrity, *D. Noffsinger, A.B. Schaefer, and C.D. Martinez*, 337

MAINSTREAMING THE SCHOOL-AGED HEARING-IMPAIRED CHILD
Number 4, November 1984

- Audiological Management of the Hearing-Impaired Child in the Mainstream Setting, *J.R. Madell*, 353
 Communication Evaluation: Academic and Social Considerations, *E. Ying and D. Brackett*, 367
 Psychological Assessment for the Child with Impaired Hearing, *R.R. Green and D. Watkins*, 385
 Evaluation for Educational Planning, *D. Brackett and R. Schine*, 393
 Adapting the Classroom Environment, *J. May and D. Brackett*, 405
 Maximizing School Support for the Mainstreamed Hearing-Impaired Child, *D. Brackett, J.R. Madell, and R.R. Green*, 411
 Clinic and School Coordination, *B. de Leeuw*, 419
 Educating the Parent to be an Advocate for the Child, *N. Aronson and A. Weinblatt*, 425
 Comments on Mainstreaming, *B. Tolleris, S. Silver, D. Morris, R. Morris, N. Left, S. Laracuente, L. Spitzer, D. Leigh, I. Leigh, and J. Madell*, 429

VOLUME 5 AUTHOR INDEX

- | | | |
|---------------------------------|---------------------------|--------------------------|
| Amochaev, A, 39 | de Leeuw, B, 419 | Protti-Patterson, E, 251 |
